Dear Sir/Madam,

The City of Angers, heir to a long tradition and an invaluable heritage that includes the magnificent medieval *Apocalypse* by Jean Bondol, and the more contemporary *Chant du Monde* by Jean Lurçat, holds an eminent place in the world of tapestry and textile art.

Thanks to the Musée Jean Lurçat et de la Tapisserie contemporaine, created in 1986 and boasting more than 2,000 textile works acquired in over 30 years, Angers has established a firm reputation as the city of tapestry and textile art. This reputation has been consolidated by the organization of the 9th edition of the Triennale Internationale de Mini-Textiles (International Textile Art Triennial). Previous editions were held in 1993, 1996, 1999, 2002, 2005, 2008, 2012 and 2017.

The primary objective of this international textile art competition is to encourage research, creation and innovation, in the domain of contemporary textile art. The event is open to all artists, over 18. Following the selection of works by a jury of professionals, an exhibition of these pieces will be held at the Musée Jean Lurçat et de la Tapisserie contemporaine in Angers from 3 July 2021 to 9 January 2022.
